

## BOAT CLUB **Smart Ownership Program**

### **Own the Boat. Earn Income. Enjoy Unlimited Boating—Stress-Free.**

The Smart Ownership Program by Agapi Boat Club offers a revolutionary way to own a premium boat—like the Quarken 27 Cabin—while turning it into a fun, income-generating investment. You'll enjoy full personal access to your boat, while we manage and rent it through our trusted member network.

### **Combine the Best of Both Worlds**

Most of the boats in Agapi's Canadian fleet are member-owned, thanks to our innovative co-use model. This structure delivers:

- **The freedom and pride of ownership**
- **The income potential of a shared economy model**
- **The convenience and flexibility of club membership**

Whether you're a private buyer or a corporate owner, it's an ideal way to make boating work smarter for you.

### **What You Get as a Smart Owner**

- **Use Your Own Boat Freely**  
Full access to your boat whenever you want it—just like traditional ownership.
- **Club-Level Maintenance**  
Your boat is professionally cleaned, serviced, and maintained to Agapi's global standards.
- **Rental Income Potential**  
Earn revenue from qualified, trained club members when you're not using your boat.
- **Global Boating Access**  
Enjoy unlimited use of other Agapi Club boats at partner harbours across Canada and internationally.
- **Priority Production Slots**  
Secure early delivery and availability when you purchase a new vessel through us.
- **Zero Hassles**  
Forget insurance, storage, winterizing, or managing rentals—we handle it all.

## How It Works

### 1. Choose Your Boat

Select a qualifying boat—like the Quarken 27 Cabin—from our approved portfolio.

### 2. Become an Owner

Purchase the boat through YACHT Solutions and enroll it into the Smart Ownership Program.

### 3. We Handle the Rest

Your boat becomes part of the Agapi fleet, managed and maintained to exacting standards.

### 4. You Enjoy More Boating

Use your own boat or access other boats in the Agapi network, year-round.

## Is Smart Ownership Right for You?

**Smart Ownership is perfect for:**

- Buyers who want a lower cost of ownership
- Professionals with limited time but a passion for boating
- Cottagers and seasonal residents
- Corporations looking to offer unique client or staff experiences
- Boaters who love variety, convenience, and return on investment

## Exclusive to YACHT Solutions

**As the official Canadian partner for Agapi Boat Club, YACHT Solutions is your gateway to a smarter, more flexible boating lifestyle. We'll walk you through the purchase, onboarding, and revenue process—making Smart Ownership seamless from day one.**

## Ready to Explore Smart Ownership?

**Own your boat. Offset your costs. Expand your freedom.**
